

The Point San Pedro Road Coalition Presents ...

COMMUNITY FORUM ON WILDFIRE PREVENTION AND RESPONSE

Hosted by the San Rafael Fire Department

The City of San Rafael Fire Department's Emergency Management and Wildfire Prevention staff is hosting a 90-minute community forum to discuss the City's wildfire prevention and response program. They will take questions and seek your input on how the City, neighborhoods, and individual homeowners can meet the increasing threat of wildfires in our community.

Topics

- Review of the actions the City is taking to prevent and control wildfire, including public lands management, defensible space inspections, evacuation improvements and more
- Learn steps you can take today to defend your home from a wildfire and prepare for an emergency, including an evacuation plan and go-bag
- Get clarification on all the ways you will be alerted and can stay informed during a wildfire or other emergency
- Learn about all the resources available to you to support your efforts
